Proposed Plan Announced to Amend the 2003 Stray Horse Gulch (OU6) Record of Decision

Colorado Department of Public Health and Environment

The U.S. Environmental Protection Agency (EPA) and the Colorado Department of Public Health and Environment (CDPHE) invite you to comment on a proposed plan to amend the 2003 Record of Decision for Stray Horse Gulch, Operable Unit 6 (OU6) of the California Gulch Superfund Site. This plan affects a portion of the existing remedy addressing environmental contamination in OU6.

For more information about the proposed remedy modifications, the public is encouraged to review the *Proposed Plan to Amend the OU6 Record of Decision* and the draft *Procedures to Reduce Potential Adverse Impacts to Historic Sites in the OU6 Proposed Work Area* (please see box below on how to obtain these documents).

We want to hear from you! Your comments are very important. EPA will not make a final cleanup decision before we consider all public comment on this plan.

Public Comment Period June 10, 2010 to July 12, 2010

Written comments must be postmarked or sent by e-mail by close of business **July 12, 2010**. Requests for an extension of the comment period must be made in writing to Linda Kiefer at the below address and received by 5:00 pm on **July 12, 2010**.
